Let MRCI introduce you to our [Futures Highlight](#) !

The focus on a single market each month can provide you more in-depth knowledge of how it trades. What if you knew such things as ...

- (1) average daily ranges by day of week
- (2) how often it tends to close higher/lower by day of week
- (3) how often it tends to gap up/down
- (4) historical summary of daily % of price change
